To Whom It May Concern:

On behalf of the Executive Leadership Team at Desert Stream Ministries in Kansas City, Missouri, USA, we would like to express our selection of Father Furczoń as the overseer of Living Waters Groups in Poland.

We have been blessed to work alongside Father Furczoń and we recognize him as an individual who serves the church with integrity and humility, and who leads with compassion and authority. He understands the vision of Desert Stream Ministries as a group promoting chastity and integrity within the Church, in relation to the areas of sexual and relational wholeness in both identity and expression.

This qualifies him to host the international Living Waters trainings in Poland and to supervise courses that come out of the training. We see him as prepared to release leaders to serve in their local churches and oversee the start of new programs throughout Poland.

Thank you for your support of Father Furczoń and his ministry offerings to us and to the body of Christ. We are thankful for him and are blessed to partner with him in bringing vision and healing to the Church in areas of sexual and relational wholeness.

Sincerely,
